SUMMARY

Web Developer with hands-on experience in designing and building responsive websites and web applications. Currently working as a Junior Developer at Nexetoile's, where I contribute to front-end interfaces and user experience improvements. Actively developing strong skills in HTML, CSS, JavaScript, and modern frameworks, along with continuous learning to expand technical depth. Passionate about clean code, problem-solving, and delivering meaningful digital solutions.

EXPERIENCE

Junior Developer 2025 - Present
Nexetoile's Sylhet, Bangladesh

Web/App development & design

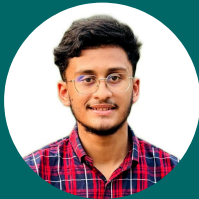

- Assisted in developing and maintaining responsive websites using HTML, CSS, and JavaScript.
- Converted UI/UX designs into clean, user-friendly web interfaces.
- Collaborated with team members to troubleshoot and improve website functionality.
- Focused on writing clean, organized code and optimizing pages for better performance and accessibility.
- Gained practical experience in real-world client project workflows and version updates.
